INSTRUCTION FOR X-RAY

UPPER GASTROINTESTINAL TRACT

Stomach and Duodenum

ESOPHAGUS

SMALL BOWEL

Do Not eat, drink or chew gum after 10 pm until the exam is finished.

Small bowel follow through examinations may take 2 hours.

DRINK PLENTY OF WATER FOR 2 DAYS AFTER EXAM

BARIUM ENEMA - No solid food allowed during preparation for this exam.

TWO DAYS BEFORE EXAMINATION

Unrestrictive amounts of clear liquids ONLY, such as water, clear juice, pop,consomme, black coffee, tea and jello. Continue instructions below.

DAY BEFORE EXAMINATION

Unrestrictive amounts of clear liquids ONLY, such as water, clear juice, pop, Gatorade, consomme, tea and jello. At 5 pm, drink glass of clear liquid (in addition to above). At 6pm drink one 10 oz bottle (300ml) Magnesium Citrate. This can be purchased from your Pharmacy. A 7 pm take three 5mg tablets of Dulcolax.

DAY OF EXAMINATION

Insert 10mg DULCOLAX suppository and wait 10 minutes before evacuating.

Nothing to eat morning of examination, but drink clear fluids only. DRINK PLENTY OF WATER FOR 2 DAYS AFTER EXAM.

For these exams only, Diabetics should consult their physicians regarding possible stoppage or reduction of insulin while fasting or on "clear liquids only" diet.

MAMMOGRAPHY - Do not use deodorant, anti-perspirant , oily lotion or talcum powder before examination. Diagnostic mammography can take up to two hours. Deodorant and powder interferes with imaging, if possible please shower before appointment

BONE DENSITOMETRY - No preparation needed. Clothing without snaps, zippers or buttons. No barium studies one week prior. Maximum weight for equipment 270 lbs.

INSTRUCTION FOR ULTRASOUND

PELVIS OR PREGNANCY

A FULL URINARY BLADDER IS ESSENTIAL. Two hours before appointment time, empty bladder and drink six large (8 oz.) glasses of water. All water should be consumed 1 1/2 to 2 hours before appointment. Do NOT empty bladder after this (if absolutely necessary, empty bladder a little WHILE COUNTING TO FIVE THEN STOP). If having a Biophysical Profile (BPP), please eat one hour before appointment time.

Baby pictures \$5.00 each.

ABDOMINAL - Do NOT eat, drink smoke or chew gum for six hours before examination.

KIDNEY EXAMS - Fast 6 hours before exam as well as filling your bladder with 4 glasses of water 2 hours before exam.

ABDOMEN AND PELVIS:

Do NOT eat for 6 hours before examination. Two hours before appointment empty bladder and drink six large (8 oz.) glasses of water, as above for pelvic and pregnancy exam.
